PROFESSIONAL PROFILE

- Strong leadership and communications skills show by my position as an RA at the University of Missouri, the position includes community event planning and execution, regularly held available hours, nightly on-call shifts, and safety through passive and active measures.
- Independent student that established residency in another state during the summer of 2014 to reduce the financial costs of my education in the coming years. Joined computer special interest groups to gather further knowledge of the different aspects of computer science including cyber security, game development, and mobile development.
- Community volunteer work to assist others in Pine Ridge Mission located in South Dakota to help those individuals establish safer living conditions and help those in need.

TECHNICAL SKILLS

- Familiar with Microsoft Office Suite (Word, PowerPoint, Excel)
- Familiar with Adobe Creative Suite (Photoshop, Illustrator)
- Solid understanding of algorithm design and many algorithms
- Proficient in C, HTML, CSS, JavaScript, MySQL, and Java
- Familiar with client server interactions
- Familiar with Blender animation software as well as the Unity game engine
- Quick learner with the ability to adapt to new situations
- Confident public speaker and writer
